

India's Most Reputed Company in Reconditioned CT Business

More than **200 Installations!**

Largest Inventory of **Spare Parts!**

Factory Trained **Service Engineers!**

From single slice to **Real Time Multi Slice models!**

Affordable price and total warranty **our Speciality!**

Asteion Aquilion

Multi Slice Real-Time Helical CT Scanner

- High Quality Factory Reconditioned CT Scanners imported from Japan.
- 0,75 sec/rotation with Helical pitch 8 for fast scanning.
- 4 x 0,5 mm slice thickness for ultra high resolution imaging.
- **SURE** Exposure, the unique dose-by-noise regulation control.
- 20 mm detector width for 53 mm per second volume coverage.
- Tilted helical up to 30° tilted helical scanning with TCOT reconstruction for ensured artefact imaging in FOV center and boundaries.
- 0.5 mm isotropic voxel for unsurpassed 3D image quality.
- **SURE** Start, contrast guided scanning.
- **SURE** Scan real time helical scanning with 12 frames/second. Special designed 4.0 MHU X-ray tube for increased patient Throughput.
